## CXO Presented with a 'Supplier Award 2023' From SABIC

Chiyoda X-ONE Engineering Corporation (CXO) is pleased to announce that it has been presented with a 'Supplier Award 2023' from Saudi Basic Industries Corporation (SABIC), as shown below.

Though its Plant Operation Support services, CXO provides spare parts, materials, equipment and technical support for the maintenance and inspection of industrial plants worldwide, such as LNG, petroleum, petrochemicals and others.

This award illustrates how CXO's continuing endeavors to provide high-quality "Made in Japan" products and services are recognized and appreciated by customers across the globe.

As a comprehensive engineering company, CXO will continue responding to customer needs to realize 'A future filled with smiles' as per its Corporate Philosophy.

### About SABIC

Based in Riyadh Saudi Arabia, SABIC is one of the world's largest petrochemical manufacturers with operations in 50 countries and a global workforce of over 31,000.
